

Requirements Partnership HQ

Version 1.0

22.05.2026

INDIVIDUAL CLIENTS

Requirements that must be met:

- minimum of 700 messages sent per month,
- minimum of 20 active days per month,
- minimum of 30 days on the server,
- minimum of 5,000 BrainlyCoins,
- no warns on the server or profile,
- two-factor authentication enabled,
- positive behavior towards the community.

Additionally, at least one of the following requirements must be met:

- invite at least 5 users to the BrainlyHQ server,
- reach at least level 10 on the BrainlyHQ server,
- provide at least 50 answers on Brainly.

What we expect in return:

- placing an active invite link to the BrainlyHQ server in your Discord profile bio,
- active participation in events organized on the BrainlyHQ server,
- regular activity on the BrainlyHQ server through messages sent in public channels.

The partnership may be terminated if:

- the user acts against the interests of the community,
- the BrainlyHQ server rules are repeatedly violated,
- the user remains inactive for at least 30 days.

MARKET / ORGANIZATION / UNIVERSITY

Requirements that must be met:

- having at least 300 members on your Discord server
OR
- having at least 500 followers on your social media accounts,
- social media profiles must be publicly accessible,
- maintaining regular activity on social media,

- no NSFW, extremist, or otherwise harmful content on social media,
- last social media activity within the past 30 days.

What we expect in return:

- partnership information must be displayed on all social media accounts and websites (for example in the bio or banner/profile background),
- commitment to publishing at least 2 posts per month about the partnership,
- maintaining active contact with the BrainlyHQ server management,
- readiness to co-organize events,
- caring for the good reputation of the BrainlyHQ server and its members.

The partnership may be terminated if:

- the partner organization becomes inactive,
- the partner organization removes information about the active partnership,
- the organization's activities negatively affect the reputation of the BrainlyHQ community,
- promotion stops for more than 30 days.

CREATORS AND INFLUENCERS

Requirements that must be met:

- having at least 1,000 followers/subscribers,
- the average number of views per piece of content must be at least 100,
- maintaining regular activity on social media,
- no NSFW, extremist, or otherwise harmful content on social media,
- social media profiles must be publicly accessible,
- last social media activity within the past 14 days.

What we expect in return:

- partnership information must be displayed on all social media accounts and websites (for example in the bio or banner/profile background),
- commitment to publishing at least 2 posts/reels/mentions per month,
- maintaining active contact with the BrainlyHQ server management,
- readiness to co-organize events,
- caring for the good reputation of the BrainlyHQ server and its members,
- maintaining a professional approach to promoting the BrainlyHQ server and community.

The partnership may be terminated if:

- the creator stops actively promoting the BrainlyHQ server and community,
- the creator's activity becomes irregular,

- the creator removes information about the active partnership,
- the creator's current activities negatively affect the reputation of the BrainlyHQ community.
